

## An Invitation from Our Leader

This year, the Annual General Meeting of our party marks a turning point in our history.

This AGM is a time for all members to participate in setting goals and directions, to be inspired by our speakers, and to acquire the skills needed to build a winning team for the work of the FCP at and between elections.

Together, we are building a foundation for future success. Our Riding Associations now serve as advocacy groups for pro-family, life-respecting principles, and they will also serve to prepare and to support our candidates in the next provincial election.

Please plan to join us in Cambridge for this ground-breaking General Meeting, as we build the team for our network of pro-family issues advocates across Ontario.

I look forward to seeing you there.

Sincerely,

Phil Lees,  
Leader

## Building the Team: Training Sessions

At this year's Annual General Meeting, members of our Party have the unique opportunity to receive a half-day training session from The Manning School, offered by specialists from The Manning Centre, designed to build our Team in local communities, to fight for Ontario's families.

This will be a first-time opportunity for many delegates to benefit from the expertise of this nationally recognized organization.

The Manning Centre offers programs to prepare Canadians with the ideas, skills and networks required to inform and impact their governments, public policy and their communities.

The Centre brings together top thinkers and policy-makers to help enlarge the ideas inventory for current and future political leaders.

One of the key focuses of the Manning Centre is providing The Manning Schools, designed to provide essential education and training to prepare Canada's future political leaders.
