Dear Eastern Ontario FCP Members and Supporters;

Last December we had a wonderful and encouraging meeting at the Hintonberg Community Centre. Thanks to Tom and Joan Rooney for their planning and support, and to all who came out.

Since that meeting, there is an increasing interest in Eastern Ontario to develop a political party that will positively influence provincial policies and legislation for traditional, life respecting, family affirming, and fiscally conservative policies.

The Eastern Ontario Region Council is working hard to organize the area, increase membership and establish riding associations. The Eastern Ontario Team is looking for like-minded people concerned about our community and the social-conservative void in politics. To this end, a second meeting has been planned at the Hintonberg Community Centre, February 27, 1:30 p.m.

I would like to encourage you to come out to the meeting and bring a friend. This meeting is very important, not only will you hear about a renewed vision and approach to politics and community advocacy, but you will have the opportunity to nominate/affirm your new regional director, and decide on the goals and priorities for your FCP Region.

I look forward to meeting you.

Yours for life and family,

Phil Lees
