

Family Coalition Party of Ontario

Office of the Leader

PO Box 306, Binbrook, On LOR 1P0 plees@mountaincable.net

February 18, 2010

Dear Golden Horseshoe FCP Members and Supporters;

There have been two meetings of FCP members in the Golden Horseshoe. In an effort to get the message out, and increase interest, these caring, hard working members have decided to begin hosting Coffee Party/Information Meetings in the different electoral districts.

They are inviting like-minded people, concerned about our community and the social-conservative void in politics to attend one of the planned Coffee Party/Information Meetings - please see following page.

I would like to encourage you to come out to the meeting and bring a friend. This meeting is very important. You will hear about a renewed vision and approach to politics and community advocacy, and provide input into the goals and priorities for your FCP Region.

I look forward to meeting you.

Yours for life and family,

Phil Lees

Leader, Family Coalition Party.

Family Coalition Party of Ontario

Parti de la Coalition des Familles de l'Ontario

The Family Coalition Party is the only socially and fiscally conservative party in Ontario. We are building a political party that will positively influence provincial policies and legislation for traditional, life respecting, family affirming, and fiscally conservative policies.

The FCP is beginning to develop riding associations in the Golden Horseshoe, and are looking for like-minded people, concerned about our community and the social-conservative void in politics.

Please attend one of the Coffee Party/Information Meetings and listen to Phil Lees, Leader of the Family Coalition Party, share a renewed vision and approach to politics and community advocacy.

Phil Lees, Leader
